

## Alternative Certificate

### Requirements

Cannot meet Standard, Modified or Extended Diploma requirements

Credits; selection based on student goals

Curriculum focuses on independent living, functional academics and vocational skills

Course requirements can be modified

Not required to demonstrate proficiency in Essential Skills or complete "Personalized Learning Requirements"

### Who may earn?

All students (regular ed, special ed or students on a Section 504 plan)

Rev. 5/30/14

## Implications

### Standard Diploma

Can attend four-year college/university, community college

May enlist in any branch of armed services

### Modified Diploma

Can attend community college & may appeal to attend four-year college

May be eligible for federal financial aid

Some branches of military may accept if meet minimum score on ASVAB

### Extended Diploma & Alternative Certificate

Most four-year and community colleges would not accept an extended diploma or alternative certificate. It would be very difficult to meet entrance criteria.

No information is currently available about acceptance into the military
