

Warrenton Schools Foundation

The Warrenton Schools Foundation, formerly the Warrenton Hall of Fame Foundation, was established in 2007 to create an avenue for individuals, families, businesses, and corporations to become sponsors or make donations to provide funds to help all activities, academic and extra-curricular, for all students grades K-12 within the Warrenton-Hammond School District. Donors can specify if they want their money to go to a specific program or specific purchase or project and it will be used for their desired purpose.
